

CERTIFIED MROs - EXPAND AND PERSONALIZE YOUR MRO LISTING WITH AN INDIVIDUAL WEB PAGE ON THE MROCC SITE

Every day, MROCC receives inquiries through its web site for assistance in locating certified Medical Review Officers. Some are clinics or businesses that are seeking to contract with an MRO in their area; other inquiries are from lawyers looking for an expert witness, and still others are looking for an MRO to serve on an as-needed basis. While such inquiries are potentially very valuable to MROCC-certified Medical Review Officers, until now, MROCC has had limited opportunity to offer assistance.

MROCC already offers each of its currently certified MROs a free basic listing in its searchable database on the MROCC web site. Now, for a nominal fee of \$100.00, these same physicians have an opportunity to expand and personalize that listing with an **individual web page** on the MROCC web site. Each **web page** includes particular information and details about MRO practice and services. The “expanded listing” next to the name of the MRO will easily identify an expanded listing and serve as a **link to a personalized and expanded web page**. The “expanded listing” designation will remain throughout the six-year MROCC certification period. A sample of an expanded listing template is available at www.mrocc.org/32.htm. Each web page can be customized to your specifications.

This is an inexpensive and easy way for currently-certified MROs to further advertise their services.

Expanded Listings Include a Web Page Showing:

- ⇒ A biography section which includes MRO background information, MROCC certification number with currently-certified status indicated, degrees earned, certifications awarded, and years of MRO practice listed
- ⇒ Listing of MRO services available
- ⇒ Number of MRO-related activities performed
- ⇒ Staff contact information
- ⇒ Office street address, phone number and office hours

Upgrades At A Per-Item Fee:

- ⇒ Map to your Office (linked from Mapquest@.com)
- ⇒ Second office address, phone number and hours
- ⇒ Photo of listed Medical Review Officer
- ⇒ Up to two hyperlinks to other web sites
- ⇒ Contact MROCC for additional options

To purchase an individual web page on the MROCC web site, please complete the enclosed information form and return it, along with a check, money order or credit card information for the full amount of your options, and mail to the MROCC headquarters. Your submitted information will be created using a template and will become your personalized expanded listing web page. Your initial expanded listing will appear on the MROCC web site within 30 days of your form and check submission.
